## **Scoring and Campaigning**

1. Candidates will be scored in the following areas:
  - a. Camper vote
  - b. Counselor vote
  - c. Camp Committee vote
2. In each area the percentages will be added, and then the highest percentage of votes will win.

### FOR EXAMPLE:

- Out of 100 campers that voted, John Doe received 10 votes, which is 10%
- Out of 20 counselors that voted, John Doe received 10 votes, which is 50%
- Out of 8 members of the Camp Committee that voted, John Doe received 2 votes, which is 25%

John Doe has now received a 10%, 50%, and a 25% score. These scores will be added and divided by three to get the average.

$$10+50+25 = 85$$

$$85/3 = 28$$

John Doe's total score is 28

5. Campers are allowed to campaign. However, no signs are to be posted on the Tabernacle. Candidates may make their posters prior to camp. If the candidates plan to make their posters at camp, they will need to bring their own supplies (poster board, tape, markers, etc.).
6. Any candidate that launches a degrading or distasteful campaign will be disqualified.

**Note:** The Camp Committee reserves the right to remove or disqualify a candidate due to improper conduct.
